: The Media Station, with integrated inputs, ensures uncluttered work station at all times. The unit sends a signal to the monitor via a single connection that eliminates cable clutter on the back of monitor

PIP/PBP/POP

: Multi tasking funtions allow user to enjoy an image from two different sources at once

BBE Function

: BBE High Definition Sound is the core sound enhancement technology licensed by BBE Sound that users can enjoy more natural and comfotable sound

BrightWindow

: BrightWIndow enables users to make optional bright zone by simply just dragging a mouse. Users also can freely move and resize the window

Dual Input

: DVI delivers sharper and cleaner images without any data loss making it suitable for graphic and multimedia users

Wall mountable

: Mounting slots on the back allow the LG's LCD monitor to be hung just like a picture

USB Hub

: For the user's convenience to connect outer devices

Supported Colorific Software

: We support pure color management

LightView Functionl

: LighView function allows users to freely adjust brightness and color temperature according to their computing situation like day/night, photo, text, movie

Spécification

Resolution : 1920x1200

Supported Colours : 16.8M Colours

Horizontal Frequency : 30~96kHz(D-Sub) 30~80kHz(DVI-I) 30~67kHz(DVI-D)

Vertical Frequency : 56~85kHz

OSD Control : Yes

Dimensions(W x D x H) : 5888x260x443mm (Net) 5730x320x625 mm (Box)

Input Connector : 15Pin D-Sub, DVI-I, DVI-D, CVBS, Component,S-video,AV

Power Supply : 90~264 Vac(47~63 Hz) Bulit-in Power Brick

Video Signal Type : RGB Analogue/Digital(Separate,Composit,SOG)

Weight : 14.4 kg (Set),18.5 kg (Box)

DDC : DDC 2B

USB : 2Down, 1UP

Power Off Mode : Less than 1W(Without USB)

Suspend/Standby : Less than 5W(Without USB)

Regulation Compliance : TCO 99, MPR-II, ISO 9241-3,7,8 UL, TUV-GS,SEMKO,GOST,CE, FCC-B, VCCI-2, C-TICK, EPA Energy Star

Media Box : 130x206x191mm/2.7Kg

Normal Operation : Less than 100W(Without USB)

Brightness : 220cd/m²(Typical)

Contrast Ratio : 400:1(Typical)

Size : 23"Wide

Viewing Angle : H:176°, V:176°

 **Close**
