

ThinkVision L201p 20.1in Hybrid TFT LCD (20.1in/510mm VIS) TCO-03

Part Number: **T20HBXX**

The ThinkVision L201p Flat Panel LCD Monitor comes with a stand that provides screen tilt, swivel, pivot and height adjustment. Its ultra-slim bezel saves space and provides a nearly seamless view in multiple-monitor environments. The L201p includes attach points for the optional ThinkVision USB Soundbar (40Y7616). The L201p includes both analogue and digital connectors. The incorporated ThinkVantage design enhances usability and complements the design of ThinkPad and ThinkCentre systems. The ThinkVision L201p is best suited for professional graphic applications such as CAD/CAM/CAE, Desktop Publishing and Imaging.

Features & Benefits:

- 20.1-inch (510-mm) viewable image size
- Native resolution of 1600 x 1200
- ThinkVantage design:
 - Ultra-slim bezel saves space
 - Tilt/swivel and height adjustable screen for optimum viewing comfort
 - Screen pivot for portrait or landscape viewing (graphics card dependent)
 - Direct access to automatic image set-up and brightness
 - Attachment points for optional ThinkVision USB Soundbar (40Y7616)
 - Direct access to input selection allows easy movement between applications when attached to two systems simultaneously
 - Design matches ThinkPad and ThinkCentre systems
- Analogue and digital connectors for attachment flexibility
- Wide viewing angles
- Internal power
- Security lock slot for Kensington lock
- Detachable base meets 100-mm VESA standard for optional wall or arm mounting
- Available in Business Black
- VESA is a registered trademark of the Video Electronics Standards Association

Product Features

General

Part Number:

T20HBXX

Description:

ThinkVision L201p 20.1in Hybrid TFT LCD (20.1in/510mm VIS) TCO-03
Business Black Monitor

Characteristics

Display case color:	Business black
Terminal Type:	
Tube type:	TFT active matrix LCD
Nominal screen size:	20.1inches
Viewable image size:	20.1inches (510mm)
Maximum viewable width:	410mm
Maximum viewable height:	308mm
pixel pitch/type	0.255mm
Anti-glare:	
Anti-static:	
Touch screen:	
Tilt/swivel stand:	Lift Tilt Swivel Pivot
Screen surface treatment:	
Multimedia features:	
Multiscanning:	
Number of factory presets:	23
Number of user presets:	10
Preset modes:	640 x 350 at 70Hz; 640 x 480 at 60, 66, 72, 75, 80Hz; 720 x 400 at 70Hz; 800 x 600 at 56, 60, 72, 75Hz; 832 x 624 at 75Hz; 1024 x 768 at 60, 70, 75, 85Hz; 1152 x 870 at 75Hz; 1152 x 900 at 66Hz; 1280 x 1024 at 60, 70, 75, 76Hz; 1600 x 1200 at 60Hz
Microprocessor control:	
Syncing:	
Top flicker free VESA mode:	1600x1200 at 60Hz
Maximum addressibility:	1600x1200
Onscreen programming:	
Self-diagnostics:	
Plug and play support:	Yes
Ergonomics:	ISO 13406 Part 2
Emissions:	MPR-III, TCO 03
Acoustics:	
Apple/workstation compatible:	
Vertical refresh rate (low; high) (Hz):	56Hz; 85Hz
Maximum Horizontal frequency (low; high) (kHz):	30KHz; 81KHz
Power management features:	Energy Star compliant
Power consumption:	60W
Video inputs (connectors):	Analog/Digital
User display controls:	Color, Brightness/contrast, Language Select, Information, Input Signals, Factory Default, Horizontal position, Auto setup, Accessibility, Vertical position, Scaling, Manual Setup, Menu Position

Energy Star Compliant

Limited warranty

Limited Warranty period and type:	Three years Rapid Replacement Service
